TIME TRIAL COURSE:

The Time Trial will be held in Picacho Arizona, conveniently located halfway between Tucson and Phoenix. We will have the first rider off at 11:00 a.m. For those racers not from Tucson who are racing the Omnium that means you will be able to drive to the TT course that morning and only need to spend one night in Tucson to race the road stage!

The road has virtually no traffic and we have secured a large staging area on private property that will allow for parking, registration and warm up all in a safe, out of traffic area, still very close to the start/ finish area. We will be using the course introduced last year for the 3 Bears TT Series. On this date there will be only the 20 K distance so the entire course is on good surface with one turn around.

While low vehicular traffic racers must still stay to the right side of the road! There will be race officials on the course to enforce this rule! There will be no warming up on course after the first rider has started.

From Tucson: Take I-10 and Exit #212, Turn left and continue on S Picacho Hwy to staging area at 18760 S Picacho Hwy.

From Phoenix: Take I-10 and Exit # 211A, Continue south to S Picacho Hwy and turn right to 18760 Picacho Hwy.
