

# 3 Bears Time Trial

Presented by Summit Velo

May 14, 2017

August 27, 2017

**SUMMIT VELO**

Promoted by Summit Velo and held  
under USAC Permit # 2017-1388

Back by popular demand, Summit Velo is proud to host our 3 Bears Time Trial Series. For new racers, the road has virtually no traffic and we have secured a large staging area on private property that will allow for parking, registration and warm up all in a safe out of traffic area still very close to the start/finish area. The road runs the same direction as the State TT course, so come out and race our series as the perfect preparation for both the State ITT and TTT Championships.

**While low traffic, racers must still stay to the right side of the road!**

**There will be race officials on the course to enforce this rule!**

- Start time on all dates will be 7:00 a.m. and we will run the 20K race and then the 30K race.
- There is online preregistration at [ArizonaReg.Com](http://ArizonaReg.Com). Final online registration closes at 4 pm on the day prior to the race.

- There will be NO RACE-DAY REGISTRATION.
- Packet pick up and day before registration will be held the day before each race at Sabino Cycles (7045 E Tanque Verde, Tucson) from 2-4 p.m.
- Start times for all registered racers will be listed on our website ([www.summitvelo.org](http://www.summitvelo.org)) by 8:00 p.m. the night before each race.

Traffic should be light, and race volunteers will be directing traffic at the start/finish and turnaround, but keep in mind that the course IS OPEN so stay as far to the right as is safe and reasonable at all times. There will be port-a-johns and an EMT on-site. Don't have all that fancy aero gear, or want to time trial in the old style?? We still offer the Merckx Open category for the new-comers, old-schoolers and purists! No aero equipment!
